Nothing to Fear.

Mothers need have no hesitancy in continuing to give Chamberlain's Cough Remedy to their little ones, as it contains absolutely nothing injurious. This remedy is not only perfectly safe to give to small children, but is a medicine of great worth and merit. It has a world wide reputation for its cures of coughs, colds and croup and can always be relied upon. For sale by Frank Hart and leading druggists.

Under the new football rules there are but sixteen ways to kill a player scientifically and without fouling. There used to be seventeen.

A MOST WORTHY ARTICLE.

When an article has been on the market for years and gains friends every year, it is safe to call this medicine a worthy one. Such is Ballard's Horehound Syrup. It positively cures coughs, and all Pulmonary diseases. One of the best known merchants in Mobile, Ala., says: "For five years my family has not been troubled with the winter coughs; we owe this to Ballard's Horehound Syrup. I know it has saved my children from many sick spells." Hart's drug store.

An Awful Cough Cured.

"Two years ago our little girl had a touch of pneumonia, which left her with an awful cough. She had spells of coughing, just like one with the whooping cough, and some thought she would not get well at all. We got a bottle of Chamberlain's Cough Remedy, which acted like a charm. She stopped coughing and got stout and fat," writes Mrs. Ora Brunsard, Brubaker, Ill. This remedy is for sale by Frank Hart and leading druggists.
